Our ergonomic pillows with latex foam mould to your head and neck. This helps your muscles to relax and consequently, you will sleep better. Please consider that it may take some time to get used to this type of pillow, due to the unique properties of the material.

The pillow may have a noticeable smell as a result of being sealed in airtight packaging. The smell will disappear once you open the package and allow the pillow to air before using it.

The removable cover can be washed at 60°C. the temperature at which mites die. To keep your pillow free from mites and dirt, carefully follow the washing instructions. For down and feather pillows you should only use one third of the normal amount of detergent and wash them separately.

The foam filling is not washable; please follow the care instructions on the label.

You can prolong the life of your pillows with a pillow protector which protects them from stains and dirt.
